To whom it may concern

GFC (Green Focus and Consultancy) has provided and installed 4KWP- PV system for Shahrazad Camp and Resort , White Desert - Farafra Oasis -Egypt in 2013 and that their execution and installation has been professionally done.

During their installation they have taken much care for the environment and the safety regulations up to the European standard.

We would have no hesitation to recommend Green Focus and Consultancy for future work.

For any further assistance feel free to contact us.

Kind regards,

General Manager
Hassan Abdel Salam
